Wisconsin University,  
Madison, Wisconsin,  
United States of America

February 20, 1957

Dear Dr. Lederberg:

I wish to express my sincere thanks to you for your kind assistance during my stay in Madison. I arrived home safely on the end of December. Since I caught a severe cold upon my return the writing of this was consequently delayed. Please pardon this.

In the future as in the past, it is my wish to maintain our friendship and collaboration in the work common to us.

Yours sincerely,

*Shoel Iseki*
